WHO WE ARE

As a health care team owned and directed by physicians, it is our goal to continuously improve the quality of our service and the outcomes of our patients.

We believe people need health care and not just health insurance. Our membership plan offers healthcare when you need it at a price you can afford.

For patients with chronic illnesses, such as diabetes or high blood pressure, East Beach Urgent Care's unrestricted access to healthcare can have dramatic - often life-changing - effects on an individual's health.

Regular physical activity, while maintaining your appropriate weight, is essential for reducing your risk of heart disease while increasing longevity.
